THE CONSTRUCTION OF AYYAPPA HOLY 18 STEPS

(Padinettu Padi)

Sri Meenakshi Temple Society (MTS) Houston, Texas, USA invites all donors to participate and contribute towards the construction of The Holy 18 Steps for Lord Ayyappa.

MTS has the oldest Ayyappa Sanctum in the USA. The Padinettu Padi (Holy 18 steps) construction is progressing with a project completion target for the 2017 Ayyappa Mandala Puja .

Every Ayyappa devotee, seeking the Darshan at the Sanctum Sanctorum of the Lord Ayyappa, aspires to walk up these sacred 18 steps.

Traditionally only those that have taken the 41 days of penance and carrying the Irumudi on their head can climb the Holy 18 steps.

Sri Meenakshi Temple is taking the initiative to fulfill the Ayyappa devotees desire to build the Holy 18 steps !

Sponsorship is open to all devotees throughout the World to be part of this sacred construction.

Please donate generously and get the Blessings of Lord Ayyappa
